Presentations and Engagements

2025

- Great Plains Water Conference 2025. Invited judge for student poster competition. University of Nebraska Omaha, 18-19 September, 2025.
- Third International Conference on Earth and Environmental Sciences, 18-20 August, 2025, Durban, South Africa. Two presentations: “Transboundary Water Cooperation” and “Water for Food and Water for the Environment: Trade-off or Opportunity?”. Also chaired plenary panel.
- “Nourish and Flourish: How to Enhance Agricultural Water Management to Feed 10 Billion People on a Livable Planet.” Invited Consultant, July 8 2025, World Bank, Washington DC.
- “Smallholder agricultural water management: Tackling myths, Moving forward.” Organizer, Water for Food Global Conference, April 30 2025, Daugherty Water for Food Global Institute, Lincoln, NE.
- Ghana study tour for Yeutter Institute undergraduate student fellows. Organizer (with E. Anders, N. Brozović, R. Rimšaitė, C. Gerlach, N. Lefore), March 15-22 2025, Ghana.

2024

- 2024 Norman E. Borlaug International Dialogue, Delegate, October 28-31, Des Moines, Iowa.
- “Africa’s Irrigation Landscape.” Presenter and Panelist at the 9th African Water Week, October 16, 2024, Cairo, Egypt.
- “The Innovation Lab for Irrigation and Mechanization Systems.” Speaker at the Nebraska Water Center Conference, October 10, 2024, Lincoln, Nebraska.
- Africa Food Systems Forum 2024, Delegate, 3-6 September, 2024, Kigali, Rwanda.
- World Water Week, Delegate, 24-29 August, 2024, Stockholm, Sweden.

Selected External Support:

- Central Kansas Water Bank review, Rimšaitė, R. (PI), Brozović, N., **Cobbing, J.**, Mieno, T., and Schoengold, K., *Kansas Department of Administration*, \$135,880; 2025-2026.
- USDA support of the Drought Monitor, Svoboda, M. (PI), Fuchs, B., Rimšaitė, R. (economic analysis task lead), Brozović, N., **Cobbing, J.**, Haigh, T., Knutson, C., Mieno, T., Smith, K., Tadesse, T., and Wardlow, B., *USDA-OCE*, \$1,280,000; 2025-2026.

Selected Professional Development, Awards, Media Coverage:

Professional Development, Mentoring, Board Engagement

- Climate Bonds Initiative. Invited Industry Working Group Member advising on Climate Bonds Certification for water projects. January, 2026.

- University of the Free State, Free State Province, South Africa. External examiner for MSc thesis: “*Assessing the impact of groundwater abstraction on the central Sandveld aquifer systems, South Africa.*” November, 2025.
- University of Pretoria, Gauteng Province, South Africa. External examiner for MSc thesis: “*Mapping natural hydrogen, soil gases and water isotopes in Mpumalanga Highveld pans, South Africa.*” November, 2025.
